

SHLOMI MOR

Wigs, made by hand in New York.

Made by hand. In New York.

• EST. NEW YORK CITY

Shlomi Mor has worked in the hair and beauty industry for more than twenty years. The house operates from a single atelier in New York City — every wig is made there, by hand.

Each piece is built from the highest quality virgin European hair and customized in texture, color, and fit, for a seamless, natural look and lasting comfort.

VOICE.

Three principles. They guide every line of copy, from product titles to a one-sentence reply on Instagram.

01

Quiet.

We speak softly. We let the wig do the talking.

WE WRITE

- Made by hand, in New York.
- Each piece is customized in texture, color, and fit.
- Virgin human hair, nothing else.

02

Exact.

We say what we mean, and only what we mean.

WE DO NOT WRITE

- ✖ ~~World-class luxury wigs!~~
- ✖ ~~The best wigs on the market.~~
- ✖ ~~You won't believe how natural they look.~~

03

Kind.

Warm, not flattering. We speak to her, not at her.

IN USE.

Three pieces the customer holds in her hand. The same mark, the same paper, the same gold accent. Nothing else.
