SHLOMI MOR

Wigs, made by hand in New York.

BRAND GUIDELINES · VOLUME I

Founded in New York. Made by hand.

ORIGIN

Shlomi Mor has worked in the hair and beauty industry for more than twenty years. The house was founded in New York City and operates from a single atelier — every wig is made there, by hand.

MATERIAL

Each piece is built from the highest quality virgin European hair and customized in texture, color, and fit — for a seamless, natural look and lasting comfort.

SERVICE

Lace-top wigs, medical wigs, full lace wigs, toppers, halo and ponytail extensions. Consultations are available in person in New York City and remotely through the website.

THREE COLORS

01. Primary ink. Backgrounds, monograms, and set type.

02. Paper. Light pages, breath, negative space.

03. Accent only. Hairlines and the signature. Never above five percent of the page.

TWO VOICES

Aa

DISPLAY**INTER 800**

All caps. Tracked +0.45 em. Used for the wordmark, section openers, and any heading that needs to carry the page on its own. Never set in italic.

SHLOMI MOR

Aa

BODY**INTER 400 / 500**

Sentence case. Tracking neutral. Used for body copy, labels, captions, and notes. Set at 15 px / 1.7 line-height for long passages.

Made by hand, in New York.

RULE. One typeface, two weights. Display above body, never the reverse. No script, no italic, no second family.

HOW WE WRITE

Quiet. Exact. Kind. We make the wig and let the woman speak for it. We do not advertise. We do not raise our voice.

WE WRITE

Made by hand, in New York.

Each piece is customized in texture, color, and fit.

Virgin human hair, nothing else.

Consultations in person or by appointment.

WE DO NOT WRITE

~~World-class luxury wigs!~~

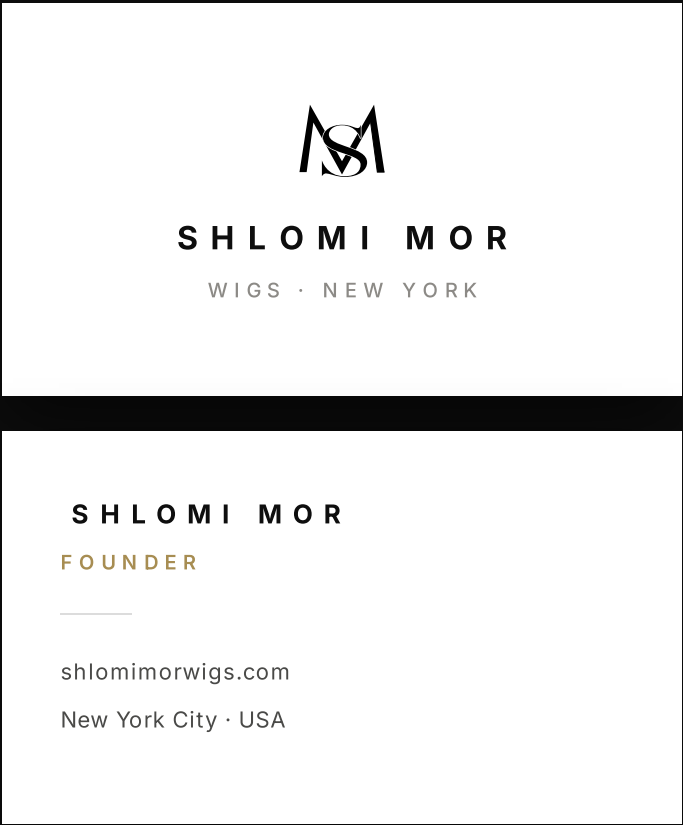

~~The best wigs on the market.~~

~~Slay every day.~~

~~You won't believe how natural they look.~~

IN USE

Three pieces the customer holds in her hand. The same mark, the same paper, the same gold accent. Nothing else.
